“ Hello,

*I am a random girl from Idaho that met Annis when I was 5ish years old at the United Methodist Church she attended here. She became very special to my grandma and I while she lived up here. I have a pile of unsent letters that I wrote over the last couple years that I kept forgetting to put in the mail. I was just sitting down to write a new one and include a photo of my new infant daughter to share the baby smiles with her.... I'm very sorry to see that she has passed. Please accept my condolences to your family and know that Annis made an impact up here in Idaho. I've often wondered what her family was like. She mentioned some milestones and how people were helping her through the years in some of her letters. My grandmother and I would have loved to be at her service last year.*

*With love, Alisha*
