“ I am terribly saddened to learn of the passing of Armus. I located and made contact with him just before Betty passed. We were childhood neighbors and friends on Georgia Ave in the early to late 40s. Armus visited me at my home and we discussed old times and more.

“ I will always remember your stories, and the conversation we shared during two all-night hospital stays . . . One, many years ago after Cody's accident, and the other, just one short week ago. Thanks for trusting your life stories with me, and for sharing your daughter and grandson with my family! Give Betty a hug and kiss from all of us . . . With much love and gratitude, Shelby, a.k.a., your Shellsbe
