“ I grew up with Barbara and her cousin, Patsy Amburn Bruner, we attended school together. It was a wonderful childhood in the community called Beulah. She was a very good basketball player in school. So sorry for your loss and prayers for you, Tex, and your family. We share relatives by the name of Betty and Verlen Clifton and live very close to her brother Donald. Several years ago, one of her friends, Rachel Golding Gentry, my cousin, was given a surprise birthday party and met you, Tex, for the first time, it was so nice to see you both. About two years ago Barbara attended one of the Beulah School reunions and was happy to see her at that time. Did not know until recently that her health had rapidly declined. May God grant to each of you his peace and comfort and may Barbara rest in peace and rise in glory.

“ *Tex, Reid, Phillip, Beth and family, I am so sorry for your loss. Alzheimer's is a terrible disease. I lost my mother to it 3 years ago. Barbara was a wonderful person. She was one of the funniest women I have ever known, and I always enjoyed spending time down there every summer. All of you will be in my thoughts and prayers. Love you all, Pam*
