“ LaDonna and family,
Losses are always hard. However, we find joy in knowing that our loved ones have gone before us and are now sitting with our maker once again. Have comfort in knowing that many of us are supporting your family through prayers during this loss of your sweet daddy.

“ I am shocked and saddened to hear about Bobby passing.

As a fellow gearhead, we are always saddened to lose one from the old school who built them from the ground up.

My thoughts, prayers, and sympathy goes to all of the family.

God has called another rodder home. RIP Bobby

“ Our condolences to all the family at this time of loss. Heaven has gained another hotrod man! He has touched many lives while here and now his memory will remain in the hearts of those who loved or knew him by having their journey in life cross with his. Am sure that everyone will have that "special memory" forever stored in the treasures of the heart.

May God's grace and love provide you with comfort and peace at this time and cover you in the days ahead.
