“ Brother my brother,
Your legacy will not be forgotten nor dismissed.
You fought one hell of a fight this time son and
Well only you understand what you were truly facing
Without showing the side that allow people to think you were weak
or not as strong at that moment to defend yourself from ones that if
they thought at any second a sign of weakness, they would try to
attack. I was there with you many nights and our friends. Dated the
same girl.
Went on vacations Panama city. Biloxi gambling. Ect..
Though after the palace on sunday at Tracys house .Eddie. Lee ray
ray lisa janie sabrina and a few others Norman donnie and i look
outside and you were cooking steaks and that the first time i knew
you were just relaxing not worried about things . just bullshiiting. No
business.
Just time to relax and then atlanta beach sunvalley.lol
Anyways i knew the good the not so good....but mostly the
GOOD.
