“ A big loss for his patients and family. Many laughs being in his office before he retired. A real pleasure being his patient and I will remember him everytime I'm in a dental chair. Could be referred to as Painless Price. I think he would like that? I just never ran that by him. I can hear him laugh at that.

“ Dr. Price was my dentist from 1970 or '71 until he retired. He always treated me very well and was a joy to talk to. I trusted his judgement as to my dental needs. At every appointment I liked hearing about his latest travels and how he did on the links. Ms. Jenny too was always very pleasant.
I miss them very much and wish the best to the family.

“ Dear Jenny,

My sincerest condolences to you on the passing of Byron. He was a true friend.

The golfers that make up the early group on Saturday paid tribute to him this morning by telling Byron stories before play. He was loved by all and we will miss him very much.

“ *May God bless the Price famiy during this difficult time. Dr. Price was always so caring toward his patients at Hudson Bridge Dental. I have a lung disease and he was always so kind in asking how I was doing and being careful not to let dental procedures cause me any additinal pain. What a gentleman he truly was!*

“ *Dr. Price:*

From the moment I met you I knew that you were a very special man and became a wonderful friend. I am surely going to miss seeing you and Ms. Jenny and that sweet smile of ours. May you rest in peace my friend.

Now, you go to that great big "Tiger Stadium" in the sky and show them how it's done in the bayouland. Remember to tell all the angels it's G-E-A-U-X not G-O Tigers!!!

Love You My Friend!
