“ *My life was changed forever when Carrie and Wendell worked as missionaries in Brilon, (Hochsauerland) Germany. During my training as a nurse, they were a great support. I often thought: "How much Jesus must love me to send two missionaries from the USA to my small town in Sauerland?" To this day, her Bible courses characterise my full-time ministry in a German Bible school. Wendell was a true friend to my father in hard times, for which I will be forever grateful. Carrie always challenged me to be bold and give my whole life to Jesus Christ. We often laughed, prayed, studied and even made music with handbells. May Jesus Christ reward her especially for her years with us in Germany. Carrie, Wendell, Elizabeth and Joshua are family to me. I am so thankful that I know I will see Carrie again. Carrie, your life was a blessing, your memory is my treasure untill we meet again.*

“ I was blessed to know Carrie as a teenager in Vancouver. I led New Image performing arts team that was birthed from Expo 86'. Carrie sang, did puppets and was a smile and encouragement we always appreciated. How amazing that we ended up serving together with IMB in Europe years later. It was a joy to share the family and create new memories. I will always remember her joy and love for people and Jesus.

Hi Kaye and Andy!

I too remember how much Carrie enjoyed serving during Expo '86, especially with New Image.

Not everyone knows that New Image created a local team of Canadian kids that also ministered in the years after Expo.

It was my pleasure to get a call saying that the new team would like to come to Calgary during the Olympics in '88.

We got them all set up for ministry but things just were not working out. Remember, those were the days when we did not have cell phones so they had to make some choices about what to do.

They prayed together and decided to go into a church nearby. That was where God used them in ways none of us planned! People came to the know the Lord and the team came back with wonderful stories about how they saw God's hand in the results!

It was good to see young adults turn into strong confident Godly servants.

“ I am thankful to God I had the opportunity to know Carrie through our Community Group in the Webb home. Carrie made our Bible discussion times into “breaking bread fellowships,” with “gladness and simplicity of heart,” Acts 2:46. I cherish those meetings.

Yorkshire pudding, 'homemade' vanilla extract in Germany, contagious laughter and full of the Holy Spirit of God - the love of Jesus exhibited in every season. In plenty and in want - She loved The Word, Wendell and the wild adventure of experiencing God - fully realized in His presence, now and forevermore. I love you Carrie - thank you for gracing our lives with your incredible and genuine 'you-ness'!! - "auf weidersehn" 😭
