“ Chris, my thoughts and prayers are with your family as I call on my memory of you and events shared with you when we were children. Ed Sullivan introduced The Beatles to America, the Civil War reenactments and Johnny Reb's, the Caterpillar into the pond on the farm and harvesting the Christmas tree from the golf course. We'll do it together again on the other side. Rest in peace, Cuz.

“ *RIP Chris, I had the pleasure of sharing some of your journey since the early 60s. It has been enjoyable and troublesome at the same time, such is life on earth, and now may you enjoy your eternity.*
