“ *We are absolutely crushed to hear the news of Connie's passing. We were very fortunate to witness the continued love and support she provided for her sister and nephews over the past 30 years. As word of her passing spread amongst our group almost everyone commented on her and Jenny's relationship with the common thread being they were more than sisters they were the very best of friends. Justin told me she was like a second mother to both him and Austin. We all will miss Connie forever and we believe in Jesus Christ and we will reunite again someday with her in heaven. May God's perpetual light shine upon her soul. Rich Johnson Johns Creek GA*
