“ I was a freshman walk-on in 1965 and though he was a blue-chip recruit, he was always open and friendly. I remember him well and regret that we were never able to make contact to renew the memories of those simple, hard, yet care-free days ...look forward to renewing our acquaintance in a better far better place...:)

“ *Dear Elrod Family:*

*I am very sorry to hear about Craig. I had lost touch with him since he hadn't been coming to Georgia football Lettermen events. However, I have great memories of him at Georgia. He was always in great shape and a heck of a great player. Craig was funny , friendly and personable on campus.. my thoughts and prayers will be with you in the coming weeks. "Keep the Faith".*
