“ God's Word calls death an enemy. It truly is that because it was never God's purpose for people to die. It was and still is God's purpose that man lives forever. Therefore he will eradicate death and promises to resurrect those lost in death. It is impossible for God to lie. Soon tears of sorrow will be replaced with tears of joy when loved ones are brought back to life. May you somehow find comfort in God's promise of a resurrection at Acts 24 : 15.

“ 1 Thessalonians 4: 13-18 "Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him. According to the Lord's word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore encourage one another with these words."

“ *When God calls our children  
To dwell with him above, we mortals sometimes question the  
wisdom of His love. For no heartache compares with, the death of a  
child. Who does so much to make our world , seem so wonderful  
and mild. Perhaps God tries of calling the aged to His fold. So he  
picks a rosebud before it can grow old. God knows how much we  
need them, and so He takes but few. To make heaven more  
beautiful to view. Believing this is difficult still somehow we must try.  
The saddest word mankind knows will always be Good-bye. So  
when a child departs, we who are left behind, must realize God  
loves children. Angels are hard to find!!*

*My deepest condolences to your family.*
