“ Just know you will always be our baby brother even though you are now in Heaven. Fly high baby brother, play your guitar and sing with the Angels. You will be missed so much but our love for you will never die. We will all be together again, so please watch over your family and friends. Loving and missing you badly! Tommy and Deborah Gardner❤️

“ I'm so sorry to hear Danny has passed from this horrible disease. I knew him from work, he started right after I did just before COVID. We were on the travel team so we spent a lot of time together on the road with other team members. Danny had a great sense of humor and knew how to keep us going on road trips. He was professional, knew 100 percent of his job and did it well. When he took sick and quit traveling, we missed him and his knowledge and that dry wit. Whatever anyone needed, he was right on top of it. He was the best coworker I've known in 50 years of holding a job. Danny was loyal and dependable and was already missed when he stopped traveling. His absence will be felt for a long time by those who worked with him. I never met Stephen but Danny spoke of him often. Prayers for those who love and will grieve Danny.
