“ Remembering all the times we shared  
Riding through the fields;  
In summer, winter any old time  
Memories my love will shield.  
The energy and spirit full of fun  
You epitomised good living;  
Appreciating every moment  
You were always so forgiving.  
Every second of everyday  
You played and prayed quite hard;  
You didn't know what was yet to come You beat all of us by a yard.  
So when it's our turn  
As none of us know when; We hope that we won't let you down  
And we'll be back in your arms again.

*He had a nature you could not help loving, a heart that was purer than gold, to those who knew him and loved him His memory will never grow cold.*

*God saw the road was getting rough  
And the hills were hard to climb,  
So He closed your weary eyelids  
And whispered "Peace be thine".*

“ Loving sympathy, to the family. I will always have wonderful memories of the warm summer times when he would cook out for us children, and the many times I spent at his home..
