“ So saddened to hear about the loss of our precious Diane. She is now healed and celebrating with our Heavenly Father and others who have gone before her. She is going to be missed greatly, but we must all look forward to our reunion in our final home. I pray for peace that passes all understanding for Diane's family and all of us who loved her and considered her our "friend".

“ I met Diane at DL in 1983. She was the first person I shared a hotel room while on a DATAS II onsite assignment! Also remember her hospitality when I got invited to ski at Big Sky and everyone hopping into her "Suburban taxi". Diane was a great person who left us too early. My sincere condolences to the family. RIP Diane.
