“ Sorry for the loss. Mr. Livingston was a wonderful principal. I remember him always speaking to us all in the halls at school. He did great things for Clayton county. Clayton county suffered a great loss when Dr. Livingston left. I remember when my brother Joe Nettles was playing football, he was at the games with a great big smile on his face. Mundy's Mill was #1 for I think 3 years in a row. I remember one year my mom didn't have money to buy Joe any cleats. Mr. Livingston took him shopping and bought him a pair. My Prayers go out to all of his loved ones.
