“ To the Speir Family
My heart goes out to you all. My prayers are with you all now may God be with you as you go through your trials this week. You know Edith is in a happy place now and she is smiling down on us all. I know I will miss her dearly. She is all of our Guardian Angel now. We all loved her very much and I know sometimes its hard to let go of those so close to us. May God Walk with each of you everyday. I will remember Edith Speirs as laughing and smiling always. I will never forget that day when I came home from school and I had no key to get in the house it was cold and raining that day and I was between the screen door and door of the house she looked out the window and saw me trying to stay dry she had came out of their house and called my name to come over to their house just so i would not get sick. She was a wonderful person. I thank God to have such wonderful neighbors as the Speirs for 43 years. God Bless You All.
