“ *My thoughts have always wondered where my grandmother is, and if I would know if anything happened. I wasnt there for her, I couldnt find her.... And I miss her horribly! So sorry that she is gone, but am happy that she is resting with her love in peace! Nanny, you were never out of my heart, will never be- our memories will always be with me!!!! I love you!!! Am praying for comfort and compassion for those that are left behind, i love you! You will always be my family, even if not recognized....*
