“ So glad that I got to see Mr. Emory a few years ago when I stopped by on the spur of the moment. It was like no time had passed between all of us at all. So many good memories of him. I am just now finding out about his passing so please forgive me for just now sending my condolences from myself and my Mother.

“ So sorry to hear this. I worked with Emory at Central Truck Lines back in the 50's. He was a great guy and a good friend.
