“ *My love, my darling Frank. I am in agony without you. I know you are in heaven and with our Lord Jesus Christ, that does offers me comfort beyond what I can describe. Yet I am here, forced to go on without you. I have cried so much I am wondering this morning if I have any years left. My eyes are swollen nearly shut. I ache to hold you, to lay my head on your chest and hear your heartbeat. I want so much to hear you tell me it's going to be alright. I miss the sound of your voice, the love in your eyes. The children are doing better than I am. They have accepted your new home and although they miss you they are thankfully not asking any questions. I am without answers today. My heart has been ripped away and I am in so much pain today baby. I miss you I love you. Frank Sheppard I will be in love with you until the day Jesus comes for me.*
