“ I met Fred 9 years ago on the Blue Ridge Scenic Railway where he worked as a car host and a conductor. Fred, myself, and the engineer all hit off and got along real well and when you seen one of us you usually seen Fred tagging along with us as well. There were a few times some people would tell his passengers in his car that it was his birthday and they'd be telling him happy birthday. We'll all miss you Fred and thoughts and prayers go out to the family.

“ I am so heart broken of your passing my dear friend. I will always cherish your friendship, your spirit, the talks we had on the calls we answered together. You were a great investigator and mentor to those that followed in your shoes. I will miss your laugh and your smile. Your were a credit to the Clayton County Fire Dept. Such a loss to your family and friends.
