“ I will miss Mrs Freddie at Westbury. She always had a smiling face when I would go visit my mother there. She always wanted a hug. I know mother will miss her as I will too but I am sure she is in Heaven with the Lord. May God give you all peace during this time...

“ I will always remember how kind and gentle she was. Especially when David and I would get together and practice for band or just hang out after school. I always thought of her as a second mom to me when were in high school.
