“ *I've never met George, but I've worked with Ronnie and Robert Dwiggins for many years. George did a great job with these two, as they are both men of integrity and are a great legacy to George's life. My Prayers are with them now and with the entire family. God will comfort and strengthen you all while George dwells with the Angels !!!*

“ Have not seen George in many years. We visited his family often when I was a child. His mother and my step father (James Evans) were brother and sister. I am praying for you, Linda; and for the rest of the family. I have been where you are and know the pain of loosing someone who is a part of you. God bless you.
