“ We did not communicate near as much as we should have, but Glenda was "my person" and I miss her already. You are where you deserve to be. You are still the kindest, most unconditional friend I've ever had. I love you.

“ My thoughts and prayers are with the family at this time. I grew up with Maria & Shane. Glenda was an amazing woman and mother and raised her 3 children with love, respect, moral's, and most of all that God & family are the most important thing in this life. Majority of my childhood revolved around Maria. Her mother was her inspiration and she respected her to the up most. When her father past not to long ago, and when Glenda's house got on fire. Her children became her rock and comfort. She lived for them. Now she lives on through them. Never gone, Never forgotten. I Love Yall.

“ Uncle Roy, My heart goes out to you with the passing of Glenda. I think that must be one of the hardest things for a parent to bear, living longer than your children. My prayers for you and Glenda's children and grandchildren.

“ *My heart goes out to all of you. The tears we shed are so selfish. Glenda is really happy now. She's with Frances and her Lord. We must be ready to join them when Jesus comes. She was my dearest friend whom I sat beside for 22 years in church even when she was in the choir. That back row is going to be so empty without her. Love you all. Millie*
