“ I was a young hot mess in a new town where I knew no one except my older step brother! Thankfully David was pretty cool and his friends even cooler 😊 Greg was always so quiet and somehow still the life of every party! And there were many... I have and will always miss that smile!! May we all keep smiling for him 😊

“ Our sincere condolences to Bessie, Gary, and the rest of Greg’s family.

*Greg was a great friend, the little brother that I never had. He helped me get my first job in construction and assisted me getting my first truck (big thank you to Gene & Bessie too). He taught me a lot about construction, showed me how to patch drywall and the finer points of finish work in a home.*

*He was never one to be down; always had a laugh to share or try to make you laugh when you were feeling low. He was a loving soul. We shared a love for water, our birthdays only 7 days apart.*

*I am going to miss our chats about old times and the fun we had together.*

*Our camping trips to Ichetucknee Springs were epic – setting up camp at midnight, tubing and jumping out of trees together - are memories I will always cherish.*

*Greg’s kindness and generosity were boundless, always ready to lend a hand or share a story that brightened the darkest of days. His ability to turn mundane moments into adventures was a gift, whether it was just hanging out or one of our spontaneous road trips that left us with tales to tell for years. He had a way of making everyone around him feel special, and his spirit will live on in the laughter and love he spread so effortlessly. As I hold onto these memories, I find solace in knowing that his legacy of joy and compassion will continue to inspire us all.*

*I look forward to seeing you again in heaven, goodbye little brother.*
