“ Scott I'm so sorry as I just find out about your dad. May God give you comfort. Your mom and dad were one of the first ones Joe and I met when we went to FBCJ. We had some good times together.

“ Michele, I am so sorry we did not make it to your Dad's services...kinda snuck up on us and we missed it. However, just wanted to let you know how much we loved your Dad. He was a very special man. I remember with so much fondness the days he & your mom, along with Jean & Harry, gave so much of themselves to the Laotian ministry. I think that was some of their happiest days. We will continue in prayer for you and the family. It's so hard living without two of the most important people in your life. We love you and pray for the peace only God can give. ❤️
