“ Pam, Butch and Family:

*I was deeply saddened when Brad called to tell me that Helen had passed away. Although, I take much comfort in knowing that she is in a much better place.*

*'Weeza' as I affectionately referred to her was a very special lady and one grand dame to boot! There will never be another person like her. I thank God that I was fortunate enough to have known her. I can still hear her laughter as I think back to all of the wonderful times we shared. Unfortunately, those days did not last long enough. I love her dearly and she will always hold a very special place in my heart - as do all of you.*

*May God be with you and comfort you through this loss. I'm sorry that we are unable to attend her memorial service, but please know you all are in our thoughts and prayers.*

*Love,  
Andrea & Roy*
