“ Trudy and family, I worked with Inman at Delta in the Training Dept. many years ago and I well remember that he was such a joy to be around, good to share a laugh, a gentleman, a really wonderful, smart, helpful co-worker and this news is just too sad. I am so, so sorry for your loss and I sincerely hope you find comfort in each other and your memories of this great guy.

“ Trudy, what a shock to learn of Inman's death. He called us in early Feb. and we had a great chat.

We'll always remember the time we spent together working to settle Aunt Louise's estate.

We extend our deepest love and sympathy to you and the rest of the family. Inman will be missed by all who knew him.

You are in our thoughts and prayers.
