“ Jane,

I am so happy that at long last you are at peace. You are with your family now and there is no more pain, trials or tribulations.

Selfishly, I am very sad because I no longer have you here to make me laugh. We shared so many good times together at UA and I will forever be grateful that. I am so glad that I came to see you in September and was able to tell you that I loved you. Rest in peace, my dear friend and I will see you on the other side.
