“ Linds, Dee Dee, Steve and family ...
My heart breaks for you guys BUT we know that mama (Jan) is not suffering any longer and she is not in any pain! Heaven gained a beautiful soul and we all know that she will watching each and every one of you! I love you guys and will continue praying for you as the days go by.

“ Just as it was with your dad a few years ago, this pain is never going to go away, either. I suspect your grieving time and intensity will be similar.

Sometimes in my head I look for happy images to hold on to. Your family happens to be in a bunch of them. These would be whenever I would look out the door or window and see Jan, you, your family, and your hound dog taking your daily walk through the neighborhood. In my mind's eye, they are always there. Keep on keeping on. I would select the image of your Santa Claus balloon but Ford-Stewart does not have one.

“ Deidre and family, I am so very sorry for your loss. I am fortunate that I got to know your mom through the family get-togethers over the years. She was so much fun and full of life! She was a beautiful lady and I know you will miss her tremendously. Know that I am here for you and sending love to you all. She is at peace now...
