“ Words cannot express how much my heart hurts! We were SO close, and I will miss him GREATLY! I will miss his smile, his witty sense of humor, our weekly game nigts, If there was a day that went by in the last 15 years that we didn't see each other, it was only due to circumstances. And on those rare occasions, we talked on the phone every day. He was truly the sweetest soul God ever put on this earth, but I know God showed mercy and love when He took him home. Bubba told me in March he was tred of doctors (he had to go once a month minimum) and he was tired of "getting poked" (drawing blood and getting injections). God is good and Bubba knew the Lord and there's no doubt his name is written in the book of life! I know I will see him again. I just have to wait my turn.
