“*Nothing you love is lost. Not really. Things, people - they always go away sooner or later. You can't hold them anymore than you can hold moonlight. But if they've touched you, if they're inside you, then they're still yours. The only things you ever really have are the ones you hold inside your heart.*” Bruce Coville

I will have you inside my heart forever and ever. I love you and will miss you deeply. Fly with the other Angels sweet lady...xoxo

“*Sending love and deepest sympathy to the entire family's for your loss. But what joy to know Aunt Joanne is with the Lord God, Jesus Christ. She had loved Him and received Him as her personal Savior and lived her faith. I loved my Aunt Joanne and will miss her but I know I will see her again-A very deep comfort during these difficult days.*

“ Will surely miss one of the sweetest patients I have ever cared for.
She was such a strong fighter and I was amazed that she managed
to still work hard at her job despite her disease. She never gave up,
always wanting to keep fighting. I loved being her nurse and I will
never forget her. Julie and Mike, you put your heart and soul into
caring for her and for that,you will be blessed. Yes, Ms. Foster, I
must confess that I did secretly conspire with Julie and Mike to get
you that chair. Hope you forgive me! Rest in peace precious lady!
