“ I sure hate to hear this eight months later especially. To the family my condolences. Joanne was a sweetheart. It makes my heart sad to know she's not in this world.

“ Oh My Sweet Wawa (Joanne) You've given me so much light in my life, from a baby until god called you home. I am so grateful and truly honored to be your Great Niece, to be that child you never had, and to have them grandchildren you've always wanted. We love you soo deeply it hurts, each day gets harder for me, knowing I cant call you or just pull in your drive way and love on you. You will forever be missed, and you will forever be loved! You are Dancing you the sky, with your Beautiful momma, sister and Favorite Niece! I love you sooo much girl. I wish we had that one last beach trip. 🙏😭❤️

“ I am so sorry for all the family after such a loss! Our thought and prayers are with all of the family! Joanne loved her family dearly, she has always bragged on all of them! This is so heart breaking to me! I have been friends with Joanne for many years. She has always been such a special person in my life! I would speak to her and keep up with her quite often. We would talk about so many things such as family, our AJC family, our health and just anything you can imagine. I cared for her so much and I will miss her dearly as I know all her family will.

*Working in a pressured environment in the old AJC days I always noticed & loved how Joanne always used to stay calm, cool, collected no matter what. Also she was a big fan of NASCAR races & explained to me how the point system worked. My condolences to all her family especially her nephews who she used to talk about so much. May The Father always rest her soul. 🙏*
