“ *Dad this is your Babydoll. It was the upmost honor to be able to be your daughter and private nurse. I enjoyed the time we spent together these few months. You are the best dad a daughter could have been blessed with.....*

“ Johnny,

I'm so happy for you to have made it heaven and out of the pain your body has been in. While we grieve your loss now, we will celebrate your life forever. I will miss hearing your adventures and life stories. You truly have done it all. You may have been my father-in-law, but you treated me like a son. Be with your Maker now, as it is not good bye but until later my friend.

*Love,
Jeff Buckner*
