“ I am the daughter of Al & Betty McGee. Thinking of your family brings back many great memories from your time in Moline over the bakery & then the new church. Your mom was such a sweet beautiful person. I remember many great services with them singing. So sorry for your loss but truly heavens gain!

“ Bro. Sam Latta and family
Our family condolences to you and such fond childhood memories from years ago in the church over the bakery. I shall never forget your and Sis Latta playing the standup base fiddle and accordion singing. "When I step inside the gate"...and now how happy she is. I was able to show my parents pictures of you and that brought back great conversation and sharing.
God bless you greatly!
