“ I loved Juanita like my own mother. I wish I could have been there for the family. Unfortunately I am out of town. I know that she is resting in the arms of Jesus. With so many friends and family that were waiting for her to arrive. She is singing that new song that even the Angels can't sing. I can't wait to see those that have gone before us. May the family find comfort in knowing that Juanita is in that perfect place with perfect health.
