“ To Karen's Family: I am deeply sorry for Karen's loss. Though it has been many years since I have seen her, we were friends in elementary school, I thought of her so often and wondered where to find her. We had some fun times together with Karen's mom and our friends from Garland Rhodes ES. If anyone can share some of her story with us please do. I would love to learn of her journey. Prayers and comfort to you all through your grief.

“ Dave, Ross & Grant, I am sadden by your loss, this is a great loss to all of us. Karen enjoyed life and brought joy to all around her. She enjoyed dancing the Shag and was an asset to the VBSC when she lived here at the beach, she was a wonderful dancer. We had some good times together dancing at our Bash at the ocean front or SOS at Myrtle Beach, which she loved so much. She will truly be missed as a dancer and most of all as a friend I have known for over 20 years. Peace be with you all, she loved you very much and you made her very happy.Love Laraine
