“ Please accept deepest condolences from our household. You mom was such a gentle soul. I will never forget her expression when the realtor brought us to look at the house. She was like,, "Joan!!!". I screamed "Sis Jackson!!!" Loved her.

“ To the family - Our prayers and sympathy to you on the transition of Sis. Kathleen Jackson. We knew her from our relationship with the Church of God of Prophecy NY. Her daughter Michelle and Donna were long time friends. Charlene was friends with my sisters as well. Although many years have passed since our families have seen each other, please know that you are remembered during this difficult time. May the Lord give you comfort and strength.
