Kathy was a great friend and school mate. Sandy and I both have good memories from school and other events. So sorry you had to suffer like you did but we know now you are in a much better place and pain free. God has taken another wonderful person from us. You will be missed

“ *Joey, Crystal, my heart goes out to you at this time. Kathy was a special person to us. She was always ready to sing at the Mother-Daughter banquets and she loved helping with Jeremy. I know she and the preacher are having a great reunion. You are in my prayers and I love you from my heart. May the Lord comfort so much.*
