“ I am Kathy's cousin, what can I say about someone that is very
sweet, loving, caring, and understanding. Oh my goodness Kathy
how I miss you and love you dearly. I remember I used to go to
Gene and Janice's house every summer to spend the night and
Kathy, Karen, and I used to watch Romper Room together, swim all
the time, go to Vacation Bible School at the Rock. We would have
the BEST time, and oh I can't forget the barbie dolls, we used to
play with them ALL the time too. All of these things are the sweetest
memories of mine, and always will be. I am sorry that I can't come,
but I have school. I would just miss a day, but this is a very
important time for me now at college, as I am taking Composition as
one of my classes and we are having to turn in Essay's. I am going
to miss you dearly as all the memories of you will forever linger in
my mind. I LOVE YOU KATHY and to me you are ALWAYS going to
be ALIVE.

“ I went to high school with Kathy. She always had the sweetest smile and the sweetest spirit to match it. Always encouraging and giving and always having something nice to say. She was the kind of person who had a gift of bringing comfort to others. I am sorry for your loss as a family, but isn't it like someone like Kathy to go ahead of us all and prepare things for us? Find peace in knowing that she no longer suffers and honor her each day with your own lives.

“ Putting my arms around the entire family at this time & lifting them up in prayer. Only met Ms. Kathy once but her spirit was welcoming & inviting. I am thankful to have met her. I went to Cosmetology school with Katie & I'm great that she allowed me to meet her family. So sorry for your loss.

“ I was so sorry to hear about your loss. I am a cousin to Janice & Joyce. We don't see each other very often. My sympathies are with you all. I know it must be so Hard on all of you. I wish I could attend but due to health problems I will be unable. My thoughts & prayers are with you.
