“ As a step-father, Jay played a very positive and important role in my life as a kid. He was very good to me, my Mom and sister. I also fondly remember Emily, Steven, Uncle Ray and cousins James-Ray and Ronald. I pray for continued divine comfort, peace, strength and, above all, healing for all of you as a family. It would be great to reconnect if at all possible.

“ We are so sorry to hear about Jay. He was a salt-of-the-earth type of man. He had a big heart and loved his family. I enjoyed talking to him every day and hearing what had him fired up for the day. Always friendly and willing to help. Our office will have a big hole to fill, as he was our go to guy. We had the best intentions of going to his service on Friday, but holiday traffic has gotten the best of us and we will not make it in time. Therefore, we would like to express our sincere condolences to the family and share in your loss. The loss will be with us all for a long while and subside and his memory will be everlasting.
