“ RIP former brother-in-law. You were a constant source of humor & support during my years as Tommy's wife. You said it was not a job just anyone could take & as usual you were right! Your stories of your years as a young boy were poignant & helped me understand how hard those years were. Live for today you always said but keep a dollar for tomorrow. God bless your family.

“ Uncle Richard was the best, of all my uncles... He always cared deeply for my dad, and my brothers and I.

He shared 100s of stories over the years, and we know he lived and great life.

He loved his family more than anything and would/could make a dollar out of a dime!

God bless him.
