“ I came across the sad new of my childhood friend when I was searching for graduates of Walter F George High School for our 50 year class reunion. I have such good memories of her as we both lived in the same neighborhood. I must have thought of her a 10 0 times in the years that have gone by and wondered how she was doing. My one regret, unfortunately, is that we weren't as close as we should have been in high school. I do hope that her family is blessed with the strength to remember all the good thing about her life. I remember her as being kind and patient with me and all of my problems. She was a really good listener, but liked to talk as much as I did. I will see you again someday and perhaps we can pick up where we left off. May God Bless you Linda Lee, forever!

“ *To Linda's family
I was so sorry to hear of Lindas passing. Such a great loss. I worked at South Fulton Hospital with Linda many years ago on 4S. She was our Unit Clerk and the hardest worker. Linda loved her family and spoke of themoften. Even when we had the opportunity to see each other at the ole SFMC reunion she still spoke of you all with pride and love. She will be missed.*

“ *Was totally saddened when I went into work at PHH this morning to hear of Linda's passing. I worked with Linda also at SRMC. I send my love and prayers to each of her family. Linda will be greatly missed. She always had a friendly smile no matter how busy she got. We would share photos of our families and especially her grand babies. Prayers Jerry Nichols.*

“ *I was privileged to work with Linda at South Fulton Hospital back in the 80's. We remained friends and I occasionally spoke with her. I am so sad to lose such a kind friend. Linda loved her family more than anything. I offer my sympathy in the loss of your wife, mom, sister.*

“ Linda was not just a co-worker, she was a dear friend. All who knew her will feel great loss; because she was the most awesome lady you could ever meet. She had such a gift at seeing your potential when you yourself could not see it. She was an encourager, a mentor, a planner of parties and such, full of life and song (which she had many different styles and varying titles), full of cheer and joy. I will not miss her near as much as her wonderful family that she spoke of daily, but my life will forever be touched by her. And I am a better person because of who she was and what she saw in me. I am sure you will hear much more of the same from others. As the days go by know that each of you will be in my thoughts and prayers.

“ To Linda's family I'm so sorry for your loss and that your having to go through this heart breaking time. I worked with her at SFMC and loved her like a mom. She was a wonderful person and would do anything for anyone no questions asked. When my mom was in the hospital at Henry your mom went to check on her for me to make sure she was doing ok. I will miss her messages to me on FB and miss seeing her post. You all already know what a Great Classy lady she was. Now she has her angel wings and will always be around you. God Speed Moma Hill!
