“ *I'm going to miss her laugh and always upbeat personality. I remember seeing her for the first time playing basket ball for Smith High in the early 1960s.*

“ *Freddie, I don't know if you remember me or not, but I lived on Woodward, about 10 houses up towards Hill Street with my Grandmother, who was friends with your Mother. I graduated from Smith in '58. I lost my husband 25 months ago, so I know the pain you are feeling. Please accept my sympathy to you & your family.*

“ *I have nothing but good memories of Linda back in the Thrift Drug days. She always gave 110 % but fussed the whole time. That was how she rolled She will be sorely missed by all. Praying for your comfort during this time .D22*

“ *The absolute best friend / sister anyone could have. Linda was warm, giving, loving with the biggest heart of anyone I ever knew. She was there for me every time, no matter whatever she had to put up with from me. She was my beanie baby leader. Ha Got me hook line and sinker on those. And I will bring one to the cemetery as soon as I can get there to visit my very special friend. Linda was different in her own way, but boy you couldn't help but love that woman. I am very lucky to have been a part of her life. Her and Freddy, little Freddy, and her beautiful grandsons were such a big part of our lives for so many Years. Remember watching little Freddy play base ball as well as Michael and Josh. Boy she loved those guys so much. And then her great grandchildren, She had such a wonderful family to fill her life. I can't put it in words, but I know she will never be replaced, those shoes are just to big to fill. But she will be missed and loved and remembered by us all. Peace be with you friend, till we meet again.*
