“ I've just learned, almost three years past, of the death of Lloyd. I worked for him for a few years at Advanced Claim Service beginning shortly before he lost his first wife. He was a great boss, a caring and considerate man who always appreciated those who were working for and with him. I lost contact with him a while after he sold the business to his partner and retired to work from home. I know that he is dearly missed by his family and I wish only the best for them all. I would like to make contact with his daughter and if she would contact me through email at [kcbadj@bellsouth.net](mailto:kcbadj@bellsouth.net) I would appreciate it. RIP Lloyd! My sincere condolences, Kathi Barry
