“ Sue, I am saddened by the news of your mothers passing. But It seems that God blessed her with a long, and Fruitful life. I will always remember her in Uniform, and think about the Good she provided in the Community. I know she held a Special place in Many Hearts! God Bless! Rick Moye

“ The 50's and 60's were a wonderful time to be a kid. It was nothing for me to get on a bus when I was 12 years old with a dollar in my pocket and go to down town Atlanta for the day.
All the horrible things that happen to kids today were unheard of in our neighborhood in Forest Park and we owe this to people like Mrs DeVane.
Neighbors were more than neighbors and really more like family so when Mrs Devane yelled at you, You "straighten up" the same way you would if your parents yelled at you. She yelled at me on a regular basis. In fact because She was the Police Lady and she took her job very seriously I think she yelled at every body in Forest Park two or three times. But it should not surprise you that in all the years that she help children get to school not one was ever hurt. She was serious about keeping those kids safe and you could tell it by her demeanor.

I miss those days but I know when we get to heaven Mrs DeVane will be there watching after children. I know this because God will want heaven to be like Forest park was when I was a little boy.

“ Ms Lois was a fixture at Hendrix Dr Elementary school when I was there. She didn't take any flack from parents or kids but I respected her and was a bit afraid of that uniform! RIP Ms Lois!
