“ I am so saddened to learn that my dear , sweet, beautiful friend is gone. I wanted all of you to know how much I loved her and how I have missed her deeply over the past years. My heart is with you now and always, I will never forget her and how we just clicked as friends from the first day we met. I still have little gifts and reminders of her that I will cherish. Peace be with you now as I feel she is at peace. She knew how much you loved her and she was so lucky to have you. we all will not be the same for having her in our lives, hold on to the good in your heart and she will always be with us. My love to you and your family, I'll be thinking of you, I love you lorri, see you on the other side, girlfriend. sara belle
