“ *I have known Macie most of my life. I grew up with her daughters, Kathy & Clarajane and then worked closely at the courthouse for many years. Then a few years ago she resided @ the same Assisted Living where my parents were, where she was fondly known as "The Judge"! We would sit for hours talking about the good old days at the courthouse. She was also there for me when I lost my dear sweet parents, consoling me when no one else could. She was one sweet angel on earth and has certainly earned her wings!*
