“ I am just now seeing this while doing some research on my family. Aunt Martha was my great aunt on my father's side. His mother, my grandmother, was Aunt Martha's sister. Sudia Lee Hudgins Mann. I tried staying in touch with Aunt Martha up u til she no longer knew who I was and I never was able to get any contact information for her kids. I used to LOVE IT when my grandparents would take my brother and me to visit her, my great uncle, and of course her little dog "PB" who loved Hershey's Kisses. We would also go see my great Grandma Hudgins, her mother, my Aunt Ozella and Uncle Brown, the Autrey's (cousins) Aunt Martha, and others whom I miss dearly. Oh how I'm saddened that I didn't know about my precious Aunt Martha's passing. I went on a Gone With The Wind bus tour and LOVED the stop at the corners of Scarlet and Rhett Butler, which is where my Aunt Martha's house was. This let's me know to try harder to find out where my family members are. I have missed you even before you passed on to Glory Land, Aunt Martha.

“ What a thoughtful lady my neighbor and friend of 22 yrs. One of my favorite memories of Martha is when I bought my first house at 39 and wondering what the neighbors would be like. And just the following day Martha came over to introduce herself and being of "old school " brought chicken and bread til I got utilities turned on.I knew then it was going to be ok and that I had a good neighbor looking out and another older couple (Clevelands) who also were here at the time.

So many fond memories of this special lady who til the end was a hard worker who maintained her home and yard for a long time. My family and I will miss Martha for long time. Our Heartfelt Prayers and thoughts going out to her family.

“ *Martha was a really special lady. She worked hard, and loved her family. When her grandsons came I think she already had fishing poles ready for them . She was always ready to help any one who needed her. I still hear her gentle laugh when I told her about my boys connecting the dots on the wall paper she hung in their room . ..(With a Permanent Black Marker)! She shrugged her shoulders and said,(oh well least they did a good job). My heart couldn't even be mad. Our thoughts and prayers go out to her family , and Rest in Peace sweet Mot.
