“ *I believe I was a classmate of Mary at Moganton Elementary School in Morganton, Georgia, and later for a couple years at East Fannin High School. We were always seated close to each other due to our last names - Smith and Snyder. We were friends, sometimes helping each other with homework and such. ...I was both shocked and very sadden to hear of her death - a part of my history has passed. My deepest condolences to you - I am so sorry. I have not been in touch with her since she moved away from Morganton - but I feel a deep sadness at her passing. John Snyder*
