PS

“ Dear friends, please know that each one of you are in my prayers. I just learned of Melindas passing. And I'm so deeply sorry for your loss. You know, Melinda just had a way of making everything better by just smiling. It's not often that someone can say they respected a peer in high school. I however am proud to say that I respected Meinda from early on. We're all so much richer, just because we knew her.

*In His name,

“ So sorry to hear the news of her passing. She was a wonderful person and I enjoyed her company. The times I saw her she always had a smile on her face no matter how she felt. My love and prayers are with the family.
